Jefferson County Public School District has adopted a 2-Hour Delayed Start option in the event of extreme weather. Should the district decide to implement a delayed start, now or in the future, here is what you can expect to happen at Parmalee:

- Parents will be notified beginning at 5:15am through several mediums. The announcement will be sent to families via School Messenger (phone message), social media postings and on the Jeffco Public Schools website.
- Buses will run regular routes (unless otherwise notified) and pick up students two hours later than their regular pick up time.
- Adventures in Child Care will be open at 8:30am.
- The Parmalee school day will start at 11:00am. Please do not drop your students off early as staff is also trying to get to school safely.
- Half-day morning kindergarten students should not report to school.
- All band/orchestra classes will be cancelled.
- Upon arrival at 11:00am, students should report to their homeroom classes.
- Lunches and afternoon classes will proceed as normal. The cafeteria will be serving lunch.
- Dismissal will be at 3:30pm.
- We will notify the community if after school activities will be cancelled as we have updated information.

We would like to reiterate two things:

- The school district makes school closure and delayed start decisions. For more information about this process, please read here.
- Families have the authority to excuse their child(ren) from the entire day or from being marked “tardy” without repercussions. Please call the attendance line at 303-982-8020 if your child will be absent.
