The end of the school year can bring up a lot of feelings of stress and anxiety. This can lead to “checking out” or avoiding schoolwork and responsibilities. Below are some tips to finish the school year strong:

- Maintain a regular sleep schedule.
- Take care of your physical health (Eat well, regular exercise)
- Break up work into small tasks and budget your time.
- Only focus on what is in your control, you can’t change the past but you can work towards a better future.

Good luck, you got this!

Prom is Coming Up!

Brady High School Prom is on the horizon! This year’s Prom will be held during the evening of April 26th. We ask you to standby by for the start and end times as that has still yet to be determined. Classroom attendance of at least 75% is required to attend Prom this year, so go to class and don’t spend too much time in the hallways! The Prom venue will be at Baldoria On The Water in Lakewood which is located at 146 Van Gordon Street. Students, if you have questions about Prom or are in need of resources for Prom tuxedos or dresses please see Brady’s school secretary Teagan Anderson in the main office!

In Need of Resources?

Brady students and families, please don’t hesitate to reach out to school and Brady’s Family Engagement Liaison if you or your loved ones are in need of any clothing, food, school supplies, or hygiene products. If so, call school and ask for Mr. Bryan Winter (FEL).
Introducing Jeffco’s New Elevate Education Podcast

Jeffco Public Schools has officially launched a podcast! Elevate Education - hosted by Matt Palaoro, Jason Firestone and Tara Peña - provides a space to discuss the transformative power of education. With new episodes every other Wednesday, Elevate Education is available to listen wherever you get your podcasts (Spotify, Apple, etc). Tune in to the first episode featuring guest Superintendent Tracy Dorland.

To subscribe to the podcast or see a list of previously recorded podcasts from the school district please visit https://jps.click/podcast.

To access the podcast please copy and paste the link listed below!

Goats!

School Support Volunteer Curly Smith with her goats outside of the Brady Gymnasium on April 9th during Future Day where students got to learn about a host of different job and career opportunities!

Future Day Success!

Students and staff mingle with vendors from different employment sectors during Future Day on April 9th. Great job Carrie for all of your hard work in setting up Future Day!
Attention Graduates!

Attention Brady graduates! Please be aware that the graduation date and location has changed. Graduation will be on May 17th at 10AM at Bear Creek High School.

Brady’s Graduation Coach, Joe Zarrella, has mailed out details to graduates as we get closer to the ceremony. If you have not received information about graduation you can also see Joe at anytime in room 121 if you have questions.

Congratulations to all of our Brady seniors who will begin a new chapter in their lives! Great job seniors! Keep up the hard work!

Looking Up!

Below: (From left to right): School social worker Orion Castro, School therapist Simi Adler, and English teacher Corey DeGoey look at the solar eclipse outside of Brady’s gymnasium on Monday, April 8th. The next solar eclipse to grace the continental United States will occur on August 23, 2044.

Infinite Campus - A Great Resource For Parents and Guardians!

The Infinite Campus Parent Portal is an online system that allows parents/guardians and students to access and manage their information.

Families MUST log into the Campus Portal to:

- Maintain parent/guardian/emergency contact information.
- Pay fees online.
- Manage school and district communication preferences.
- View grade and attendance data.

Parents and guardians can go into the Infinite Campus Parent Portal at any time during the year and change your contact information or add/remove emergency contacts.

School Insights

Families, School Insights is a great way to learn about your school. School Insights can be found on the Jeffco website or copy the link below! With School Insights you can view data on school culture, teacher-to-student ratios, student academic performance and information about each school.
