This money will be retained by the District until the completion of the school year. Monies withheld from the contract by the District under the terms of this section will not accrue interest.

6.4.2 Violations of the contract items may be subject to monetary deductions from the reserve on a monthly basis. Following the successful completion of each school year the remaining balance of the reserve will be returned to the Contractor as part of the monthly payment for June of that school year.

The Contractor will have 5 (five) working days in which to offer a written appeal to any of the incidents. Transportation Services shall, at its sole discretion, make a determination as to whether the non-performance occurred and, if so, whether or not there are extenuating or mitigating circumstances which eliminated the need for a deduction.
