TESTIMONIALS

“I love RMDS so much, that when I grow up, I want to come back and work here so I can be at RMDS forever!”

AMARIANA ALLEN-BRUNS, STUDENT

“My boys have created such a wonderful bond with their teachers, that when they make things at home, they can’t wait to show them the next day. The teachers put so much love and caring into their jobs, and our boys are so lucky to have them.”

KATHY SEVIER, PARENT

“What makes RMDS so special to us, is that every person, every teacher, the principals, they value our entire family.”

JAMIE HOFFNAGLE, PARENT
THE PATH TO A WHOLE CHILD

RMDS emphasizes the importance of a child’s ability to self-actualize their dreams and goals. RMDS teachers and staff are experts specifically trained in the field of Deaf Education and culture. We provide students with love, a place to belong, linguistically and culturally. RMDS fosters each student’s ability to thrive as a confident, productive human.

WHAT MAKES THE ELEMENTARY PROGRAM AT RMDS UNIQUE?

RMDS gives each child the space and opportunity to explore, to build linguistic and academic confidence, and to figure out where they fit in the world around them. Individualized and specialized services and other opportunities to grow and belong include:

- Small, language-rich class sizes with highly qualified expert teachers and staff
- Whole-child focus, nurturing identity and culture
- Rigorous student-based standards established by the Common Core
- Gifted and Talented program
- Push-in and pull-out reading specialist and one on one services
- One-on-one and small group speech therapy services
- Spoken English and ASL services with a specialist
- Sports programs include: soccer, basketball, and field hockey

WHO WE ARE

RMDS is a free public charter school in Jefferson County, just outside Denver, Colorado, and the only bilingual American Sign Language/English charter school in the state. RMDS aims for excellence in research-based academic programs, creating opportunities for students to socialize with and create lasting friendships, and views each student as a success story.
