Strategic Plan 2027
Strategic Plan 2027

Goal Area 5  Equitable Distribution of Resources that Support Student Success

Board Resolution 1664.1/18 (January 4, 2018)
A balanced general fund shall be defined as the unrestricted general reserve level in the third year of any Board-enacted budget adoption or interim budget report falls within the range of 17%-20%, and may include deficit spending in any or all of the three years included in the multi-year projection.
Unrestricted and Restricted Categories

• Unrestricted Revenues/Expenditures
  – Discretionary funding used for general operations, all ongoing expenses, and shortfalls in other funds such as Special Education and Transportation (LCFF Sources/Community-Funded, Lease Revenue, Lottery).

• Restricted Revenues/Expenditures
  – Non-discretionary revenue used for specific expenditures for which the funding is intended (Special Education, Title I, II, III, ASES)

• Reserves
  – The “unrestricted ending balance” of Fund 01 used to fund “economic uncertainty” and one-time expenses.
2022-2023
First Interim Budget Report
Introduction

- Reflects actual data (revenue & expenses) through Oct. 31
- First formal update of current year projections since Adopted Budget
- Action item – presented for review and approval
- Will be back in March for second interim
Budget Adoption Process

January
Governor proposed State budget

March
MVWSD presents 2nd Interim and continues to work on 2023-2024 budget

May
Mid May Governor presents the revised budget. Late May MVWSD presents draft budget for input at a public hearing

Spring
Governor and State Legislators work on trailer bills and negotiate the specifics of the budget. MVWSD works on budget assumptions that will be used in development of the budget.

June
MVWSD Board adopts the 2022-2023 budget

December
MVWSD presents 1st Interim
First Interim Information

- During first interim reserves are always high because funds that were not fully utilized at the end of 21-22 are rolled forward.
- Between now and second interim the funds that were rolled will be assigned to programs and schools for use.
Child Nutrition is **cost neutral** to the District due to additional meal counts. At budget adoption the general fund was supporting child nutrition $1.6M

- Secured property tax projection rate from 3% to 9%, net increase $3.5M
- One Time Block Grant $1.8M
- Shoreline Education Enhancement Reserve Bonus $2.4M
- Increase in ELOP for After School $1.6
- Special Education and MOT contribution increase by $966K
2022-2023 First Interim Budget Report
Fund 01 General Fund: Highlights of Changes

- 3% Off schedule bonus for all employees $2.1M
- Carryover not included at budget adoption $3.6M
- Independent studies cost not in 21-22 $211K
- One time ELOG funds to pay for Instructional Aids at Castro $268K
How do COVID Funds Impact our Budget?

- Every year, until our COVID one-time funds are exhausted, we will see changes in our restricted funding.
- We have a multi-year plan to spend our COVID funds for students.
- Because of this, each year at first interim we will recognize carryover - this results in swings/changes that are planned and anticipated to restricted funds.
- We are not able to “show” funds that we cannot guarantee are available.

Considerations for the Future
How MVWSD is Funded

• Proposition 98 defines the state’s total obligation to public education and is met with a combination of property taxes and state funding
• Most California school districts are funded by a mixture of property taxes and state aid
• The state targets a funding goal and the state makes good on shortfalls in property tax
• By the same token, increased property taxes reduce the state’s share of the obligation
How MVWSD is Funded

• In a minority of districts, property taxes exceed the target established for state aid
• The district keeps the “excess” property tax but receives only limited state funding, historically restricted for specific purposes
• These districts are called excess property tax, basic aid districts, community funded or locally funded- these all mean the same thing.
What does Basic Aid/Community Funded Mean?

District Funding Under LCFF =

Property Taxes
- Local money from property taxes don't reach LCFF level

State Taxes
- The state provides money to the district up to the LCFF funding level

Community Funded/

"Basic Aid" District Funding

Property Taxes
- Local property taxes exceed LCFF level

State Taxes
- State funds not needed to reach LCFF level

Local district keeps the extra
How do additional students impact MVWSD?

Since MVWSD is basic aid it reduces the amount we have to spend on each student.

Example:
$100 for 2 students = $50 per student
$100 for 4 students = $25 per student
What is the Shoreline Regional Park Community Act?

- 1969 State law that turned North Bayshore into a quasi redevelopment agency that still exists today.
- The State dissolved all redevelopment agencies (RDAs) in 2011.
- The law, called the Shoreline Regional Park Community Act, diverts all taxes from North Bayshore to the City of Mountain View to redevelop the area in need of redevelopment.
What is the Shoreline Regional Park Community Act?

• The original act cites that the area is conducive to “ill health and transmission of disease”
• Since MVWSD is a basic aid district this means that the district receives no funding from the North Bayshore area unless the City, through the Educational Enhancement Reserve (EER), chooses to pass the funds onto the District and there are no other outstanding obligations.
• If the City chooses to bond against the property taxes the schools theoretically could receive no passsthrough.
1255 Pear - located in North Bayshore

- We anticipate that we will receive an additional 119.41 students from 1255 Pear.
- 1255 Pear is the first major residential project in North Bayshore.
Impact of Shoreline Regional Park Community Act on Operations

- MVWSD per pupil expenditure is $23,214
- Receiving an additional 120 students from the Pear development will cost $2,785,680 that will need to be cut from MVWSD’s budget.
- This equates to the teaching staff at one elementary school
- This is an example of one project coming on line. There are many more in the works that will impact the operations of MVWSD
Educational Enhancement Reserve Status

- The term of the current EER JPA expires on June 30, 2023
- The City would like to continue to provide passthrough payments to MVWSD but states the need to study the North Bayshore area before committing to a new EER.
- MVWSD is faced with finding a way to pay for at least three new schools and ongoing operational expenses due to approved new housing.
Example of EER Prior to the 2019 Agreement

Mountain View Whisman School District
EER Status

- Staff hopes to bring back an agreement to the Board of Trustees in the first quarter of the year.
- This would help avoid budget cuts.
- If there is no agreement in place, the District would need to send lay off notices by March 15 and would start to make changes to programs to absorb the lost funding.
Next Steps
Next Steps

- 2021-2022 Audit presentation in January
- 2023-2024 Budget Development process to start in March after the Governor’s January budget release.
- Continue to monitor growth in the City
