Thanks to the generosity of voters who approved Measure G in 2012, almost all schools will be in the process of renovations/construction this summer. Construction updates and maps are at www.mvwsd.org/MeasureG.

Please pardon our dust
We will do our best to limit the disruption to your neighborhood, but please know there will be a noticeable impact to you and your fellow neighbors during certain phases of construction. If you would like to report noise issues or other construction concerns, please contact Robert Clark, CBO/Associate Superintendent at rclark@mvwsd.org or 650-526-3500. Thank you for your support, patience, and partnership as we improve facilities for our community’s children.
