

It's never been easier to take a **Quick Peek** at your child's early development

Get a **FREE**, Quick
Early Developmental Screening

13% of children in the United States have a developmental delay and many are not identified by the time they enter kindergarten.*

Join the experts from Children's Specialized Hospital for a developmental screening for children ages 1 to 5 years old.

You will receive practical tools and resources about early childhood development.

Call us to find out how to schedule a private appointment
through video or phone call from the comfort of your own home

For more information or to register for a virtual
quick developmental screening, call **908-301-5498**
or visit
