WE NEED CROSSING GUARDS!!!!

The safety of our students is everyone’s job. Please sign up for a crossing guard shift (or 5!)… 1 shift requires only 30 minutes of your time and is priceless when it comes to keeping our kiddos safe. Sign up HERE.

The science fair is COMING SOON!
The Hackberry Hill Elementary Science Fair will be held on Saturday, 2/24. Projects must be dropped off on Friday after school. All 5th graders are required to participate in the Science Fair but it is open to ALL students! Sign up HERE.

Please put the name of your project, a parent email, and the names of any other team members. All registrations are due by Friday, January 26th. No late registrations will be accepted.

Need more information? The Science Fair website is currently being updated, so please watch upcoming newsletters for that link.

Dear Elementary School Families-

When your child reaches sixth grade, they, along with their teachers and classmates, will participate in Outdoor Lab. Outdoor Lab is a week-long, overnight camp that is hosted at one of two Jeffco Public School sites—Mt. Blue Sky and Windy Peak. Since 1957, Jeffco students have participated in this program and it has become a rite of passage for generations of families in our community.

There is a $300 tuition fee for attending Outdoor Lab. This is collected by your middle school at the time of your child’s trip. To offset (or eliminate) this cost, the Outdoor Lab Foundation has established the Lab Card Program in partnership with Safeway and King Soopers whereby donations generated from your normal shopping are directed to your child’s Outdoor Lab fees! Regardless of your student’s age, you can start fundraising now in preparation of your student’s sixth-grade Outdoor Lab experience.

Visit their website to begin fundraising today!

Hey Elementary Parents!

Did you know that your child’s upcoming 8th grade Outdoor Lab tuition fees could be covered with your grocery purchases?

- Regardless of your child’s age, you can start fundraising now for the 8th grade Outdoor Lab tuition.
- Both Safeway and King Soopers have easy ways to raise funds.
- Scan the QR code to get started and learn more!

Arvada, CO
Welcome to the special summer camp edition of The Rundown. Explore all the summer camp options Apex Park and Recreation District offers. Summer camp registration opens on Monday, January 15. If you need child care this summer, we are here for you. We offer a la carte options to schedule your summer and find care that meets your needs.

Sports Camps

Join us this summer for fun at the Apex Summer Sports Camps. Kids will enjoy an action-packed lineup featuring gymnastics, basketball, baseball, soccer, ninja training, and more, led by seasoned coaches dedicated to improving your child’s skill level. We will work on enhancing teamwork and confidence and getting physically active. Give your child an unforgettable summer of athletic growth and endless fun.

Educational Camps

Join us this summer to fuel your child’s curiosity and expand their horizons at Apex Summer EDU Camps. Experience the fascinating world of STEM - Science, Technology, Engineering, and Mathematics - with activities in coding, robotics, nature experiments, and beyond. Kids will engage in hands-on learning experiences that ignite creativity and critical thinking. They will embark on a discovery and intellectual exploration journey, making this summer an opportunity to learn, innovate, and thrive. And don’t forget, we also offer exciting art camps where kids can explore their artistic talents and express themselves through painting, drawing, music, and more.
