Legends and Lore
Unleashing Creativity through Myths and Mystery

From sea creatures of the deep to phoenixes in the sky, every society has its legends and lore. We’ll tell their stories through paintings, sculptures and other works of art. These tales may inspire awe, curiosity or surprise, but they all inspire our imaginations!

Experiment with different art techniques using Crayola® supplies to bring your ideas to life.

Each class is all about designing a one-of-a-kind mythical creature. Let your imagination soar as you explore myths from diverse cultures and tell your own stories.

Each day, kids learn about a different legend and create a unique art project based on that myth.
