Message From the Principal

Dear Columbine Hills Community,

Like the leaves that have begun to change to vibrant fall colors as they prepare for the winter season, we know that change is inevitable this year. As a staff we continue to improve our practices to meet the needs of each and every student here at Columbine Hills. October has come quickly, and the teachers are looking forward to parent/teacher conferences.

We have seen great results as a school. Our students are thriving in their literacy development. As we reflect on our strengths and areas of growth, our school-wide focus for improvement this year will focus on math. We will continue to deepen our knowledge of the math standards and create learning progressions to ensure we are developing mathematicians from Kindergarten through 5th grade. When teachers have clarity around the standards, we can ensure that students have a clear understanding of what they need to know, understand and be able to do in order to be successful and meet learning objectives. We know that when students are able to articulate the skills and strategies they need in order to be successful, they are able to achieve and grow.

Please join us for our School Accountability meeting on Tuesday, October 13th at 5:30pm. PTA will follow at 6:30pm. Both meetings will be held virtually. A link to the meeting will be sent out via email prior to the meeting.

The beautiful colors of fall let us know that October is here! Teachers are looking forward to parent/teacher conferences to share the growth we have seen already in our students this year. Conferences are a great time to continue to build that partnership with your child’s teacher. This is also a great time for you to ask questions about your child’s progress and how we will work together to support your child in learning. Conferences will be held on Wednesday, October 14th, there will be no school for students that day. Sign-up Genius links are posted on the CHE website for you to sign up for a time to meet with your child’s teacher.

continued...
Message From the Principal, continued...

As your principal, I continue to strive for a successful experience for your child. I always welcome any questions, concerns or comments you have. Please feel free to send me an email or contact me at (303)982-5540.

Sincerely,
Christa Wilson
Principal
“Aiming for Success, Believing…Together We Can”
Thank You!!!

Over the past month, we have had an outreach of support from many community partners. We appreciate their support of our students and staff through the donations that they have given to Columbine Hills!

W.E. O’Neil Construction donated school supplies and $500 to support CHE. W.E. O’Neil is the construction company that oversaw all of the construction at our building this summer. We appreciate their partnership to not only make our building a safe and an inviting space for students, staff and parents, but their support in the work we do each day with students.

We would also like to thank the Kiwanis Club of Columbine for their generous donation to CHE. We value our on-going partnership with the Kiwanis club. Their $500 donation will support materials needed to support students and teachers. Thank you!
Mark Your Calendars!

Parent teacher conferences are coming up! Conferences will be held on Wednesday, October 14th. There is no school for children this day. All parents need to sign up to meet with your child’s teacher. We will be using the sign-up genius system. Links to sign up are posted on the CHE website and sent home in our weekly calls. We value your partnership in your child’s education and look forward to sharing your child’s growth so far this year.

“Alone we can do so little, Together we can do so much.” –Helen Keller

Please remember that the following health protocols will be in place for conferences:

- Enter through the outside classroom doors.
- Parents will be health screened prior to entering.
- Face masks must be worn.

Parking Lot Safety

Please help us keep our students safe by driving slowly through our parking lot and watching closely for students walking to cars. Please use the crosswalk so that we can ensure that students are getting to and from school safely. We are asking that families do not cross at the entrances of the parking lot. There are no crosswalks at these locations. Please do not park in the bus lane in the front of the school or in no parking areas in the parking lot. Thank you for your help and support!
Halloween Parade and Parties

We are looking forward to our Halloween parties on Friday, October 30th. Unfortunately, current restrictions mean that we cannot have our annual Halloween parade. Classroom parties that are run/managed by parents, are also on the “not allowed” list. However, I know that many students look forward to this fun holiday, so here’s what it will look like (as of right now):

- Students may wear their costume to school on Friday, October 30th
  - Ideally costumes can be worn over or incorporate their regular clothes
  - Students will be able to share their costumes with grade level peers (their cohort)
  - Students will need a bag to put their costume into when they change out of it around 10:30am

- Teachers will coordinate a classroom celebration Friday, October 30th
  - Look for further communication by your child’s teacher in the coming weeks

- Unfortunately, at this time parents are not permitted to attend the holiday celebration

Halloween costumes need to adhere the following expectations:

1. Costumes should follow the Student Dress Code Policy found in the CHE parent/student handbook.
2. Face masks must be worn.
3. Toy Weapons (Toy or facsimile guns, knives, swords, bats, etc.) are not allowed.
4. Costumes that are overly graphic, promote violence or otherwise might logically be assumed to be offensive to others are not acceptable.

Thank you for your continued support!
Watch D.O.G.S

We are excited to get our Watch D.O.G.S. (Das of Great Students) program started again at Columbine Hills this year! This national program is an innovative father involvement, educational initiative of the National Center of Fathering. There are two primary goals of the WATCH D.O.G.S. program.

1. To provide positive male role models for the students, demonstrating by their presence that education is important.

2. To provide extra sets of eyes and ears to enhance school security and reduce bullying.

Watch Dog Dads (and uncles, grandfathers, brothers, friends, etc) will have an opportunity to still help out this year, but will look a bit different since parents and volunteers are not allowed inside the building. We are looking for morning and afternoon volunteers to support crosswalk and before school duty. When being a W.A.T.C.H. Dog, you will need to wear a mask (and your Watchdog shirt) and be symptom screened before heading to your spot. We have online sign-up only this year. Click Here: W.A.T.C.H Dog Dad Sign-up

If you are interested in being a Columbine Hills Crossing Guard, Jefferson County requires all staff and volunteers to take crosswalk training before they can report for duty. View the training presentation HERE and then take the test here: Link to test You must score at least an 80% to be qualified. You can review the presentation and take the test as many times as you'd like.

Please arrive at school around 7:40am in order to be symptom screened and get your gear before heading to the crosswalk by 7:45. Remember, your student(s) may not be in the crosswalk with you. Have them wait on the grass in front of the school.

All crossing guards are required to sign a Workers Comp Waiver each year as well. Please leave with the office staff the first time you volunteer, and we’ll keep it on file all year.
From the PTA

The PTA is excited to share we have already contributed the following to our amazing teachers, staff and students this year.

- Chalk the Walk to welcome back the teachers and staff
- School Supply Kits were delivered and ready for meet the teacher days
- Grants For Education - we approved our first request for a wireless mic for Mrs Blackwell
- Annual Resource Purchase funds were distributed to both the Elementary and Preschool
- Spirit Gear has a new design! It was sold and delivered by the middle of September.
From the PTA, continued...

We Need Your Help!

The PTA wants to help keep the community connected even when we can't meet in person. Do you have ideas on how we can connect? Or how the PTA can support you or the school this year? Please send your ideas to columbinehillspta@gmail.com

Catalog Fundraiser

Participate in the Catalog Fall Fundraiser that runs from October 5th - 19th. We run ONE major fundraiser each year to fund many academic opportunities and activities throughout the year. The fundraiser will be all online this year. If you would rather make a donation instead of purchasing items, you are more than welcome to do that as well. The CHE PTA receives 100% of the donation and your child still earns prizes.

Ways to support Columbine Hills and the PTA

- Become a PTA member for only $10 per individual adult.
  ⚫️ https://forms.gle/cmBxXDh6v2eCsLax5
- Setup your Amazon and King Soopers accounts to donate money to the CHE PTA. Both companies will contribute a small percent of your purchases to the school and it does NOT cost you anything additional other than your everyday purchases. It’s simple and makes a HUGE difference for our school!

Saturday, October 24, 5-8 pm

A family-friendly drive-in Halloween event.

Ticket Includes:
$20 Restaurant Gift Card
Participation Story of Sleepy Hollow
Costume Contest
Light Show
And, More

Visit AspenGroveCenter.com/event/sleepy-hollow-supper for tickets and event details.

ASPEN GROVE
Welcome Mrs. Hartley!

Mrs. Hartley has been hired as our 1st grade teacher. This will be her 20th year teaching and my 11th year teaching in Colorado. She has taught in Florida, Georgia, Alabama, Minnesota and finally Colorado where she chose to raise our family. She has a daughter, Emily, who is in 12th grade and a son, Parker, who is a freshman at Colorado Mesa University. Her family also consists of 2 furry members, Lucy (gray calico rescue) and Domino (black lab rescue). When she is not teaching or planning fun things for us to do at school.... she loves spending time with my family and friends, especially outside enjoying all Colorado has to offer. Side note, since she is asked a lot, her name came from the tv show Family Affair (my family has called me Buffy since birth) and I am not a vampire slayer :) Buffy believes that we are a village and working with each other is essential for a positive learning journey. Her door is always open and she looks forward to getting to know the CHE community.

A Message from Instrumental Music!

Our fifth grade beginning band and orchestra students have gotten their instruments and classes have started. Our next band and orchestra day is Tuesday October 6th.

It is not too late to sign your student up for Band and Orchestra!

School rental instruments are still available on violin, clarinet, and trumpet. Renting from Music&Arts allows any instrument your student wants to play.

Contact Mr. Whaylen at eric.whaylen@jeffco.k12.co.us to sign up and make music!
BUG Awards

Congratulations to the following students who were chosen by their homeroom teachers to receive the BUG (Bringing Up Grades) Award for the months of September and September 2020. The BUG awards are sponsored by the Littleton Optimist Club. Selection is based upon academic improvement and/or increased effort, improved or good attendance and good citizenship. Each selected student receives a “BUG” t-shirt, a “BUG” pencil and a certificate.

Kindergarten: Aiko Burnett (Ms. Baltazar’s class)
   Abby Smidt (Mrs. Blackwell’s class)
Grade 1: Seamus Quinn (Mrs. Hartley’s class)
Grade 1/2: Simon Shisler (Ms. Johanson’s class)
Grade 2: Andrew Sealy (Ms. Kloess’ class)
Grade 3: Caden Hesman (Mrs. Bawden’s class)
Grade 3/4: Abigail Toth (Ms. Kirkland’s class)
Grade 4: Memphis Bremigan (Mrs. Capansky’s class)
Grade 5: Paige Kartchner (Mrs. Bettmann’s class)
   Xander Marron (Mrs. Tapsfield’s class)

Health Room Updates:

Lice at School

STOP THE SPREAD OF LICE
Weekly Head Checks

We encourage you to check your child’s hair on a weekly basis now and throughout the school year. Control of head lice depends on prompt identification, effective treatment, perseverance and teamwork!

Did you know that lice love a party? Lice transmission is more likely to occur through sleepovers, family members and friends that spend large amounts of time together. School is not a common place for the spread of head lice.

How to check for lice:

- Seat your child in a brightly lit room.
- Part the hair and look for crawling lice/nits one section at a time. The easiest place to find them is close to the scalp at the back of the neck or behind the ears.
- Live lice are hard to find. They avoid light and move quickly. Nits will look like small white/yellow/brown specks and be firmly attached to a hair strand near the scalp.
- Nits can be confused with many other things such as dandruff, dirt particles, or hair product residue. One way to tell the difference is that nits are firmly attached to hair, while dandruff, dirt, or other particles fall off easily.
- Notify your student’s school health room if lice are found or if you have any questions or concerns regarding lice and your student.

If you have additional questions or for information on how to treat identified lice, please read Jeffco Health Services Lice FAQ’s:

Insert FAQ link

Lice Facts

- 6-12 million people worldwide get head lice every year
- Lice do not spread disease
- Poor hygiene does not cause lice – lice can affect anyone
- Treatment with an approved shampoo, following the directions on the label, along with daily combing with a nit comb is the best treatment
- Lice DO NOT jump or fly
- Lice can only go 24 hours without food (biting the scalp). They do not live in coats, couches, hats, or animals
- Lice are spread by direct head to head contact.

continued...
Dear Families,

This is a reminder that if your child has any signs of illness, please keep them home until all symptoms have resolved. Please call your student’s absence into your school’s attendance line each day with as many details as possible, including all possible COVID-19 symptoms: fever, cough, runny nose; shortness of breath; new or recent loss of taste or smell; sore throat; nausea and/or diarrhea.

If your student has been sent home from the medical safe room, please keep them home until all symptoms of illness have resolved. If/when your child has been out of school for 3 consecutive days, you can expect a call from your district RN to discuss your child’s illness and/or possible COVID-19 symptoms and testing.

If your child has a history of known allergies, please submit a medical provider note to your district RN stating what the baseline allergy symptoms are for your child. This will help the district RN to distinguish your child’s allergy symptoms with possible COVID-19 symptoms. Seasonal Allergy Letter

If your family has concerns with regards to possible COVID-19 symptoms, please contact your district RN through the information listed below.

Thank you in advance for your understanding and cooperation during this disconcerting time.

Respectfully,

Depart of Health Services

Please contact your area district RN with any questions:

Kerri Burnside RN, BSN
District Area Nurse

Cell - 720-315-3862

DHS 9/2020

continued...
**Allergy Symptoms During COVID-19**

Dear Parent/Guardian,

In an attempt to limit the spread of COVID-19, it is important to promptly identify, separate, and ensure that symptomatic students are evaluated and treated as necessary. Many possible COVID-19 symptoms may be similar to common allergy symptoms and it is often difficult to tell the difference.

If your child experiences known seasonal allergies, please request a note from your child’s medical provider stating what typical symptoms your child may exhibit when experiencing allergies. This will allow the district RN to have a baseline of possible symptoms for your child and will be less likely to send your student home for suspected illness.

The medical provider must be licensed in the state of Colorado and have current prescriptive privileges.

The medical provider note should include the following:

- What the child is allergic to
- What symptoms are typical for the child
- What allergy medications the child takes to treat symptoms

Each symptomatic child will be evaluated on a case by case basis and the district RN may be contacting you for more information.

Thank you very much for your understanding and patience during this unusual time.

Department of Health Services
Dear Kindergarten-4th Grade Families,

In these unprecedented times where technology is so important, it is imperative that all of our students understand what it means to be a good digital citizen. This is especially true during the 2020-21 school year, because it is the first time that all of our elementary students have a 1:1 Chromebook. For these reasons, Digital Citizenship lessons will be taught in Kindergarten through fourth grade classrooms.

While being developmentally appropriate, these lessons closely mirror the themes that are taught in fifth grade through the TechforEd initiative. They include topics like:

- Device care and general expectations
- Digital footprint and identity
- Cyberbullying
- Media Literacy
- Copyright and giving credit
- Media balance and wellbeing
- Privacy and security

All students (K-5) will also take part in coding and robotics throughout the year. If you have any questions about technology at Columbine Hills Elementary School, please contact our Digital Teacher-Librarian, Mrs. Workman at desiree.workman@jeffco.k12.co.us.

LIBRARY UPDATES
As you may have guessed, the library will look a little different this year. Here are the current rules and protocols of the library:

- Students and staff are not allowed to browse through the library books or check them out
- Primary students will have specific books brought to their classrooms to check out
- Intermediate students will learn how to put books on hold and -- when ready -- their books will be delivered to their classrooms
- Books must sit untouched for 72 hours before they can be checked in and redistributed
- Books should not be returned to the library. This will delay check-in and could result in overdue notices. Teachers will gather books to be picked up weekly
- Any books that are taken home may not be shared between students
- Remote readers: At this time, please take advantage of the Jefferson County Public Library as well as resources your teachers have given you

OCTOBER DIGITAL CITIZENSHIP RESOURCE
(Kindergarten-4th Grade Families)

If you have any questions about the library at Columbine Hills Elementary School, please contact our Digital Teacher-Librarian, Mrs. Workman at desiree.workman@jeffco.k12.co.us.
OCTOBER DIGITAL CITIZENSHIP RESOURCE
(5th Grade Families Only)

Dear Fifth Grade Families,

Did you know that October is National Bullying Prevention Month? Both the overall increased use of social media platforms in our culture and our students’ use of the TechForEd 1:1 devices have given us a new perspective on this topic.

During the month of October, many of our fifth and ninth grade classrooms will engage in digital citizenship learning related to Cyberbullying, Digital Drama & Hate Speech. Unfortunately, many students will encounter mean behavior at some point in their digital lives. Some of these experiences are easily forgotten, while others can have deep, long-lasting effects. For families, the key is staying involved in your children’s lives -- both in the physical and online worlds -- so you can step in and offer help if necessary. This month, you can help your child(ren) learn how to avoid the drama and stand up for others by using these resources:

Month Motto: We are kind & courageous.

Discussion Question for School and Home: How can I connect positively, treat others respectfully, and create a culture of kindness?

Cyberbullying, Digital Drama & Hate Speech Family Activities:
- Kindergarten English
- Grade 1 English
- Grade 2 English
- Grades 3-5 English Spanish
- Grades 6-8 English Spanish
- Grade 9-12 English

Family Tips Sheet
- Grades K-12 English Spanish

Students will have a 2 week AMP rotation.
Food For Thought BakPak Program

Beginning Friday, August 28th, (and each Friday thereafter), the Food For Thought BakPak Program will distribute sacks filled with food to students who need food during the weekends. The Food For Thought BakPak Program is a partnership of businesses, faith-based ministries, and the communities of SW Jefferson County who care about hunger needs of students in our schools. This program is designed for families who are struggling financially and may need support to provide adequate food for their children on weekends. The weekend bags consist of food for meals for each participating student. The food will be packed in a plastic grocery bag. It will fit in the child’s own backpack or will be easy to carry. The food is distributed at the end of the school day each Friday.

If you wish for your student(s) to participate in this program, please complete the information below and return to the school office as soon as possible. If participating in this program, your student’s name will be shared with the Light of the World Catholic Church BakPak program coordinator, for the purpose of labeling the bags.

If you do not need assistance, but may be interested in making a monetary or food item donation toward this program, please let Denise Woodin, Columbine Hills Elementary Enrollment Secretary know.

If you have any other questions, please contact Denise Woodin at 303-982-5540 or email at denise.woodin@jeffco.k12.co.us

_____ Yes, I would like my child (children) to participate in this program.
